

Wage Determinations On-Line (WDOL)

Overview

The Wage Determinations On-Line (WDOL) program and Web site provides a single location for Federal contracting officers to use in obtaining appropriate Service Contract Act (SCA) and Davis-Bacon Act (DBA) wage determinations (WDs) for each official contract action. The WDOL Web site is available to the general public as well.

WDOL also provides contracting officers direct access to the Department of Labor's "e98" Web site to submit requests for SCA WDs for use on official contract actions.

Program Mission

WDOL provides a single location for Federal contracting officers to use to obtain appropriate SCA and DBA WDs for each official contract action. The WDOL program also provides contracting officers direct access to the Department of Labor's "e98" Web site to submit a request for SCA WDs for use on official contract actions. WDOL is a system within the Federal e-Gov Integrated Acquisition Environment (IAE) initiative.

Benefits

The WDOL Program's Web site:

- Ensures DoD does business with commercial suppliers that comply with Federal law and requirements related to employee compensation; and
- Provides contracting officers direct access to the Department of Labor's "e98" Web site to submit a request for SCA WDs for use on official contract actions.

Fast Facts:

WDOL

WDOL is a program within the General Service Administration (GSA) Integrated Acquisition Environment (IAE). IAE is partnered with the Business Transformation Agency's Defense Business Systems Acquisition Executive (DBSAE) directorate for oversight and delivery of the family of e-Gov systems including the Central Contractor Registration, the Online Representations and Certifications Application, the Excluded Parties List and the Federal Procurement Data System – Next Generation. The DBSAE directorate is responsible for driving the successful implementation of DoD systems and initiatives in support of the Department's Business Transformation goals. Its mission is to develop, coordinate, and integrate projects, programs, systems and initiatives providing DoD Enterprise-wide business capabilities to the warfighter.
